

## Notes:

- All dimensions are in mm. DO NOT SCALE OFF THESE DRAWINGS.
- This detail sheet is to assist in the design of a Pillar Cowl for an **EK Series Outdoor Fireplace**. This is a custom product not manufactured by Escea. Two cowls are required for EK1550.
- Protect the appliance and flue from damage during installation.
- Follow the manufacturer's instructions for specifying and installing wall claddings, finishes and AAC Panels.
- The Specifier and/or Installer are responsible for compliance with all relevant Building Codes.
- This technical sheet must be read in conjunction with the EK Series Installation Manual, the latest version can be found on our website at **www.escea.com**

GENERAL CONSTRUCTION AND FINISHES SHOWN INDICATIVE ONLY

Contact the ESCEA Architectural Advisory Team for assistance with the specification of this fire - aa@escea.com
